  - c) If successful, when would you be able to start?If no:
  - a) What was your reason for finishing your last permanent employment?
6. List the RELEVANT formal qualifications you have for this position. Your academic transcript outlines the units you completed units and the grades that you have obtained for your qualifications. Please scan and email a copy of your academic transcript for your relevant qualifications with your application. Original documents will need to be produced at interview.
7. Please list (in point form) the RELEVANT work experience that you have undertaken. Work that is relevant to weed control, planting, nursery work, erosion control, restoration works and other services that we undertake (refer to the website if you are unsure).
8. Have you ensured that your application contains a headshot photo (taken within the last 12 months)?
9. Are you an Australian Citizen or Resident, living in Perth/Bunbury region now? ***This is a condition of employment, please do not apply if you do not meet this criterion.***
10. Are you available to work Monday to Friday each week 7:00 am - 3.30 pm ***This is a condition of employment, please do not apply if you do not meet this criterion.***
11. Can you/are you willing to work on Saturdays?
12. Are you able to answer questions about the work our company does, based upon the information on our website and social media platforms? Refer to useful links provided below.
13. Have you read and understood the relevant position descriptions for our graduate field and nursery roles? Refer to useful links provided below.

## Pre-employment Questions

### FORM-HRM-010

14. What small motor equipment experience do you have?
  - a) What is 2-stroke fuel, what equipment is it used for and why is it important to have it correct?
  - b) Briefly describe how you would remove a tree branch with a chainsaw?
15. Can you confidently reverse a loaded trailer into a specific location? This is required for the graduate field and nursery roles, **please do not apply if you do not cannot perform this.**
16. Are you an active, healthy and fit person with no pre-existing injuries?
17. Do you have any relevant medical conditions that need to be disclosed? Failure to disclose any medical conditions relevant to employment can result in immediate termination.
18. Are you willing to complete an unpaid pre-employment physical work trial/assessment?
19. Have you had an injury that has been processed through worker's compensation?
20. Do you have any chemical or latex sensitivity, or skin irritations, inflammations or conditions?
21. Do you have a manual Australian Motor Vehicle Driver's license (C class) that is not going to be revoked? **This is a condition of employment, please do not apply if you do not meet this criterion.**
22. Do you agree to provide a statement of demerit points at interview? This can be printed off through the Transport WA website. Refer to useful links below.
23. Do you have daily, reliable transport to Whiteman, Beeliam or Bunbury (dependent on which position you are applying for) each day and have you considered the amount of travel time that would be required if you were successful? **This is a condition of employment, please do not apply if you do not meet this criterion.**
24. Do you want to do nursery work particularly, if so, why?
25. Do you want to do field work particularly, if so, why?
26. What is your 5-year career plan?
27. How good are your plant identification skills? Are you able to ID the following plants and do you know which ones are weeds? **Please do not apply if you are not able to easily ID these plants in the bush.** You may be asked to ID these in your interview:
  - a. *Austrostipa flavescens* and *Ehrharta calycina* (and how they differ)
